CLA-LA is a nonprofit 501c3 religious organization whose mission is to bring God's Hope, Love, and Justice to the poor and the working poor in Los Angeles. This organization's goal is to provide quality legal advice and assistance, share God's love and the Truth, and serve as a ministry forum where Christian volunteers can explore and develop a deeper personal relationship with Christ and others through service. We are seeking volunteers in every facet of the organization firmly believing in the concept of "the Body of Christ." We will incorporate volunteers into the organization based on each individual's (1) skills and expertise, (2) personal strengths and weaknesses, and (3) volunteer's interests and time availability. Obviously, pursuant to law, only those individuals licensed to practice law will be allowed to do so at CLA-LA clinics.

Service Audience: low-income families, individuals, etc.

Additional Notes:

There will be an Information Gathering for attorneys who are interested in serving as volunteers at CLA-LA on an ongoing basis. As indicated above, this will take place on February 8, 2009 at 2:00 p.m. to 3:00 p.m. Also, for those attorneys who are interested, YNCC is exploring the possibility of developing a legal professional ministry at YNCC even after the Kingdom Impact campaign has concluded.
