Event Date Saturday, January 24, 2009

Description:

LA Christian School Project has two events on one day in one location: Teachers' Appreciation Luncheon & Beautification of school.

All the teachers serving in this inner city Christian school are missionaries, and we would like to serve the innercity missionary teachers through the principal's appreciation luncheon. The service involves set-up & clean-up (i.e. decoration, purchasing supplies, etc.), cooking (?), and enjoying good food and good company by sharing lives together.

While one group is serving on this appreciation luncheon, the other group will serve on the beautification project on this inner-city school campus, which might require some outdoor as well as indoor activities.
