

## **KINGDOM IMPACT**

“The Celebration to God’s Kingdom”

Pastor Michael Lee

February 15, 2009

### **Psalm 37:4**

#### **THE SOURCE OF MY HEART’S DELIGHT (When I Join God at His Work)**

1. It is not the work itself
2. It is not the recipients of the work
3. Instead, it is the delight of God
  - ❖ I love God. God delights. So, I delight.
  - ❖ God’s delight makes my heart delight because I love Him.

#### **CENTRAL TRUTH:**

My heart delights when I join God at his work because He delights.

## **LIFEGROUP DISCUSSION QUESTIONS**

1. Share something that you delight in. Why does it bring you such delight?
2. When we join God at his work, it’s not incorrect to delight in the work itself or in the recipients of the work, but it’s incomplete. Our delight must be rooted in the fact that God delights. What are the consequences of delighting only in the work or recipients apart from God’s delight? What difference does it make that we delight because God delights?
3. Consider the Kingdom Impact service projects that you have participated in. How do you think God delighted because of your work?
4. Share one insight from this week’s Kingdom Impact devotional that was most personally significant to you. Why was it meaningful for you? How did you respond to God?
5. Look at Guide 5 in the back of the Kingdom Impact devotional. Discuss and share your responses to “Set 5: at the last meeting.”

## **CHURCH PRAYER TOPICS**

1. For this week’s Kingdom Impact special projects to go well and be fruitful.
2. For YNCC to become increasingly missional (“bring people in, send people out”) in the aftermath of Kingdom Impact.
3. For planning of the new off-site worship venue to go according to God’s will.
4. For the Feb. 22 GroupLink; for many people to get connected in vital relationships.
5. For God to move many people to join him in his work by participating in a short-term mission trip (SMT) this year .
